Past

- Developed the **Texas Restaurant Promise**, creating the industry standard for reopening protocols.
- Drafted and passed the **Paycheck Protection Program Flexibility Act**.
- Established the **TX Restaurant Relief Fund**--distributing more than \$3.5 million in grants to independent restaurants.

Present

- Secured **\$180 million in grants** for Texas hospitality/tourism businesses.
- Preventing unemployment insurance **tax hikes** on businesses.
- Partnering with Adesso to deliver millions of dollars to 500+ members through the **ERTC**.
- Fighting against burdensome changes to the tax code, the **tip credit**, and the **joint-employer rule**.
- Championing pro-growth immigration reform, ProStart, and other innovative **workforce development** initiatives.

Future

- Pass a **regulatory consistency** bill to protect restaurants from conflicting local rules.
- Advocate for **pro-growth policies**, stopping costly regulations at the local, state, and federal levels.
- Reduce **supply chain** bottlenecks with creative responses to tariffs, workforce shortages, and trade.
- Maintain **strong relationships** with elected officials and regulators.
- Develop agenda for the next Texas legislative session, which begins in **January 2023**.
